ICAANE Publication of Papers

Dear Colleagues

The *9th International Congress on the Archaeology of the Ancient Near East (ICAANE), Basel (Switzerland)* is over. The Basel Organizing Committee thanks all the participants for their contributions.

The next step is the publication of the Proceedings of the 9th ICAANE.

The Proceedings of the 9th ICAANE wil be published by **Harrassowitz Verlag**. As with the previous ICAANE volumes (cf. 2008 Rome, 2010 London, 2012 Warsaw) there will be **three volumes,** with a **maximum of about 2700 pages**. They have to be printed in the beginning of 2016, to be available at the 10th ICAANE 2016 in Vienna.

This imposes several restrictions regarding the number and size of papers for our publication, which we will have to implement very strictly. The most important are:

1. Only **papers that have been presented in Basel** will be considered.
2. **Please do follow our guidelines**. It saves time and trouble for everybody.
3. The **deadline** is:

<p style="text-align:center; color:red; font-size:large">December 31, 2014</p>

We are looking forward to your contributions.
